

PRODET No 1

HARD SURFACE CLEANER AND DEGREASER

DESCRIPTION

Prodet No 1 is a liquid, waterbased, hard surface cleaner and degreaser for cleaning of heavily soiled surfaces to remove dirt and oil. Prodet No 1 is used and the cleaner of choice before applying coatings. Prodet No 1's unique formulation makes tough stains easy to remove while remaining safe on hands and easy to use.

ADVANTAGES

- Pleasant odour.
- Non-aggressive on hands.
- Highly concentrated
- Effective on heavy soils.
- Extremely effective all-purpose cleaner.

DIRECTIONS

For most cleaning applications a 1 – 2% solution in warm to hot water, applied by brush or cloth will achieve desired results. Prodet No 1 may be used neat in more demanding situations. Suitable for use in most applications from tiled surfaces to car engines. For foam applications, using high pressure and temperature, a 1% solution is most effective for degreasing and soil removal.

TECHNICAL DETAILS

Appearance	:	Colourless clear blue liquid.
Odour	:	Non-perfumed
PH 1% Solution	:	7,0 – 8,0
S.G.	:	1,045 - 1,055
